

Offshore Coiled Tubing Equipment

We have shown our commitment to quality by fielding the most advanced, state-of-the-art equipment available. Manufactured by Hydra-Rig, Texas Oil Tools, Stewart & Stevenson, and Vanoil, our coiled tubing units and support equipment utilize proven designs that enable our personnel to work with confidence knowing that they can count on their equipment when they need it the most. We are currently running Hydra-Rig HR560 and HR680 injectors as well as Vanoil 10K and TOT 15K blowout preventers.
